EXPERIENCE

Roche — *UX/UI Designer*

MAY 2019 - DECEMBER 2019 (8 MONTHS)

Working with Roche Diabetes Care unit to re-design the Accu-Chek.com's B2C e-commerce experience. **Single-handedly** conducted **design workshops** and used the insights to come up with a **new and improved** user-friendly **design**.

Indiana University — *Graduate Research Assistant*

AUGUST 2018 - PRESENT

Working as a **user experience researcher** and designer under Dr. Davide Bolchini (Chair, HCI department) for a **Google-funded accessibility** project which will change the way **blind and visually impaired** use **smartphones**.

Pramati Technologies — *Interaction Designer*

FEBRUARY 2017 - JULY 2018 (1½ YEARS)

Brainstormed and **collaborated** within **multi-disciplinary teams** to ideate on design challenges as well as support the **evaluation** of the feasibility of proposed solutions. **Designed** use cases, personas, scenarios and storyboards to define user task and **interaction flows**. Created screen-level **interaction designs** and detailed **user interface specifications**.

Infosys — *Associate Business Analyst, UX/UI Design*

AUGUST 2014 - JANUARY 2017 (2½ YEARS)

Worked at the **Bengaluru Digital Design Studio** as a **Digital Process Domain Consultant**.

Leveraged **user-centered design methodologies** to create **wireframes** and prototypes as well as **visual designs** ensuring an **engaging user experience**. I supported pre-sales activities in the acquisition and retention of clients. Contributed to **Infosys Labs** to **design** and **develop** Android applications for client **dashboards** and **workflows**.
